Speaker

Ms. Anne-Marie Wehrung, Master Dental Technician from France and one of VITA's regional sales managers is a well-known speaker on denture teeth and prosthetics. In this seminar she will share with you her vast experience as a technical trainer and advisor. Before being a lecturer and manager of the French VITA subsidiary, she worked alongside Dr End, a renowned dentist, tooth developer and researcher who brought about the concept of Physiодens denture teeth in close cooperation with VITA. Also, Anne-Marie has taken part in many live theatre symposiums where dentists and prosthetic technicians, under Dr End's guidance, fabricate dentures for patients.
