HENRY SCHEIN® DRY CLEANING CLOTH

Features & Benefits

- **High Absorbency:** Designed to absorb and retain liquids effectively for wipe-downs and spill control
- **Durable yet Soft:** Airlaid construction offers a gentle touch while maintaining strength for demanding tasks
- **Tear-Resistant:** Withstands vigorous use, even when wet or used with cleaning agents
- **Compatible with Water & Detergents:** Safe to use with both water and common cleaning solutions
- **Sterilizable:** Can be sterilized up to 134°C before use to maintain hygienic standards
- **Professional Grade:** Suitable for cleaning instruments, lab benches, and technical equipment
- **Food Safe:** Appropriate for use in food processing or preparation areas
- **Multi-Purpose:** Ideal for health care, laboratory, food industry, and general cleaning applications
- **Convenient Single-use:** Helps reduce cross-contamination and eliminates the need for laundering
