CLEAR ALIGNERS

the clear choice to a beautiful smile

Reveal® Clear Aligners

by Henry Schein® Orthodontics™

Many of your patients already know that they could benefit from some minor orthodontic treatment to create a beautiful smile.

As their dental care provider, you are uniquely positioned to offer your patients the safe, affordable, and doctor-supervised treatment alternative: **Reveal Clear Aligners.**

Did you know that 6 out of every 10 Australians* are willing to fix their misaligned teeth?

Reveal Clear Aligners are the clear choice for pre-restorative anterior alignment treating Class I mild-to-moderate movement Aesthetic cases prior to Crowns, Bridges, Implants & Veneers.

Reveal is backed by over 40 years of innovative orthodontic solutions and over 50,000 cases globally in recent years. **Reveal Clear Aligners** are offered by your Trusted Business Partner, Henry Schein, for a seamless experience with all your restorative and aesthetic solutions all-in-one-place.

* Orthodontics Australia, 2017, Aussies want to improve their teeth survey

REVEAL TREATMENT TIERS

Express	1–10 sets of aligners
Lite	11–20 sets of aligners
Standard	21–30+ sets of aligners

Each case includes one post-treatment retainer.

Why become a Reveal provider

Reveal Clear Aligners offer significant savings compared to the leading in-office aligner brand. Your patients will love having a high-quality aligner, at an affordable price.

Ready to leverage the trend and offer clear aligners in your practice?

Reveal is ready to help.

The Aligners The Clear Choice

- 1 Crystal Clear**
ClearWear™ Material is guaranteed not to stain or discolor. Precise force levels for comfort and speed of treatment
- 2 Fewer attachments**
Reveal's **superior fit** uniquely captures all available tooth and soft tissue anatomy reducing the need for attachments. Its **optimized trim** captures the interproximal and gingival margins with precision, further enhancing control independent of attachments.
- 3 Silky Smooth Edges**
Provide maximum patient comfort.

Simplified Workflow The Clear Choice

Superior fit of **Reveal Clear Aligners** shown in high resolution lab analysis. Dark red and dark blue indicates wide gaps, thus a need for attachments. Yellow and light blue show close contact and precise fit.

Reveal's precision fit reduces the need for complicated orthodontic attachments. The process is backed by proven results, so you can offer **Reveal** to your patients with full confidence in the treatment outcome to create a beautiful smile.

Reveal Clear Aligners feature precision fit and optimized trim heights to capture hard and soft tissue anatomy for exceptional control with fewer attachments.
