## Surprisingly gentle. Undeniably strong.

Meet the Gorilla in the Room

### The G Series Advantage

#### Power – 47 Watts\*

Precision of a scalpel, power of a beast.

Designed to be the most powerful handpiece in the market  
built on decades of Engineering mastery

#### Easy Access and Visibility

Slim, sleek and surgical – New tapered head for  
unmatched visibility.

#### Robust and Durable

From it's stainless-steel body to precision bearings,  
this beast is built to last

#### Built-in Infection Control

Peace of mind from a greatly reduced risk of cross  
contamination with Zero Air Drawback and an all-new  
advanced irrigation design

#### Refined for Stress-free Use

Powerful chuck continues to grip long after others have slipped.  
Quick stop is safer, quicker, smarter.  
New, non-slip grip. Secure grip even in the presence of liquid.

Limited Time Only\* Cannot be used in conjunction with the LUBRINA 2 Handpiece Offer.  
\*47 watts measured to ISO 14457:2017 at 0.42MPa
