## PANAVIA Veneer LC

### The Veneer Specialist

PANAVIA Veneer LC is specially designed for thin, translucent veneers, ensuring maximum working time and control.

- **Colour Stability.** Delivers long-lasting esthetics with shades that remain stable over time, ensuring beautiful anterior cases.
- **Precise Handling.** Thanks to its flowable consistency, PANAVIA Veneer LC allows for easing seating and clean up, preventing veneer drift or gaps.
- **Strong Bonding.** Pairs seamlessly with PANAVIA V5 Tooth primer and Ceramic primer, ensuring a great bond tooth structure.
