It is our pleasure to invite you to attend ...

Philips Sonicare Night on June 20th at the Henry Schein Halas Showroom,
Milton Queensland

Dr Jeffrey Kho will present the latest innovation from Philips Sonicare and how consumer oral care products play an important role in the overall delivery of preventative dentistry.

Discussion Topics:

- How do we keep our patients motivated
- Traditional methods vs electric brushing
- Oral health and systemic links
- Technique and technology – the two pillars of successful patient empowerment
- Difference in power tooth brush technologies

Presented by Dr Jeffrey Kho BDS. (Hons) (Qld)

Dr Jeffrey Kho graduated with honours from the University of Queensland in 2005.

He was the President of the Dental Students Association, a clinical tutor at the University of Queensland, and is a key Opinion Leader for several dental companies including Philips.

He presents regularly both local and national and manages to find time to also run three successful dental clinics in Brisbane.
