

# Edelweiss Veneers Hands-On Workshop

Move to the Next Level of Aesthetic Adhesive  
Dentistry and explore the Edelweiss Direct System

4.5 CPD Hours

## The DIRECT SYSTEM from Edelweiss Dentistry is State of the Art for Modern and Minimally Invasive Aesthetic Dentistry.

For the first time in the history of dentistry, it is now possible to work with prefabricated front & occlusal shells made from nano-hybrid composite using modern laser technology.

- Explore advanced knowledge in the field of aesthetic treatments with Edelweiss VENEERS & OCCLUSIONVDs.
- Identify and fulfill patient's needs to boost elective treatments within your office and optimize your practice business
- Reach a high level of competence in various kinds of direct & indirect adhesive procedures

### LECTURE TOPICS

- From direct to indirect restorations in the smile frame; Application and Indications of VENEERS & OCCLUSIONVDs
- Pros & cons of direct, prefabricated and indirect ceramic veneers
- History of prefabricated composite veneers
- System presentation
- Treatment concept and step by step
- Data research about the Edelweiss system

### HANDS-ON

- Shade selection
- Preparation of tooth and adjustment of edelweiss VENEERS & OCCLUSIONVDs
- Surface & internal characterization, specific bonding technique
- Size selection Edelweiss VENEERS & OCCLUSIONVDs
- Finishing of proximal and cervical area

### Speaker: DR. STEPHAN LAMPL, BChD, MDT, BBA

Stephan Lampl, inventor and founder of Edelweiss Dentistry, received his license in dental technique (CDT) at the Dental Technology School in Vienna, Austria, in 1989. He received his master's degree from the Académie d'Art Dentaire in Geneva, Switzerland, in 1991. From there, Stephan headed to the University of the Western Cape in Cape Town, South Africa, to complete his bachelor of dental surgery (BDS) degree in 1996. In 2001 he became a master clinician in restorative dentistry at Prof. Didier Dietschi's Geneva Smile Center. And in 2009, he became a master clinician in aesthetic dentistry at the UCLA School of Dentistry in Los Angeles, California.
