## Testimonials

*"An extremely useable & logical system of therapy, that is paramount to enable us to treat people in all areas of dentistry. Steve is a powerful educator & shares it all in a very useable manner."*

**Dr Sandie Earl – North Rockhampton, QLD**

*"In my 30 years plus of attending CPD courses Dr Olmos' courses stand out as the best. Dr Olmos has a prodigious understanding of the underlying causes of chronic pain; TMD; Bruxism and Sleep Disordered Breathing (SDB)/Apnoea, based on the very latest evidence based research. These courses provide comprehensive treatment methods with access to all supporting data and protocols. Dr Olmos' courses will prepare you to immediately start treating the many TMD /SDB patients you did not know about in your practice by providing a logical, systematic approach to diagnosis and treatment. Dr Olmos has allowed me to be confident I am providing the best treatment available."*
