Periodontal & Implant Maintenance – New Horizons with Guided Biofilm Therapy

Online Theory & Advanced Face-to-Face CPD Courses

SDA 
SWISS DENTAL ACADEMY

LEARN GBT ONLINE FOR FREE (theory only)

Speaker: Tabitha Acret (BOH)

Aimed at the whole dental team to discover the 8 steps of Guided Biofilm Therapy and why it integrates with the modern concept of preventive and minimally invasive dentistry. This free online CPD course will highlight all 22 applications of GBT with a special focus on preventative dentistry, periodontal treatment, orthodontics and implant maintenance. Aerosol management will be discussed at length to ensure you're providing safe and effective treatment for you and your patients.

LEARNING OBJECTIVES:

- ➔ Effectiveness of Guided Biofilm Therapy compared to conventional methods for preventative therapy, periodontal treatment and implant maintenance
- ➔ The clinical application of AIRFLOW, PERIOFLOW & PIEZON technologies
- ➔ Correct settings and techniques
- ➔ Scientific evidence supporting GBT

DATE & TIME:

Various options available

LOCATION:

Online via Zoom

ADVANCED FACE-TO-FACE COURSE (clinician-on-clinician masterclass)

Speaker: Tabitha Acret (BOH)

This workshop is the ideal platform for dental professionals wanting to perfect themselves. Participants will have an opportunity to follow the complete Guided Biofilm Therapy protocol step-by-step first on simulation models then clinically on one another in the clinic chair. Dental Professionals will learn to maximize efficiency and patient comfort.

The ADVANCED course is limited to the first 24 participants to register (across both the morning and afternoon sessions) and is only available to clinicians who have attended a BASIC/theory course or a previous SDA course and are looking to advance their knowledge.

DATE:

Saturday, 5 December 2020

TIME:

8:30am – 12:30pm (3.5 CPD) – morning session

1:30pm – 5:30pm (3.5 CPD) – afternoon session

LOCATION:

Straight Smile Centre

141 Kensington Rd

Norwood, SA 5067

*Please see back page for specific conditions concerning Advanced course registration

Tabitha Acret

Tabitha Acret is a dedicated and passionate award-winning Dental Hygienist. She studied a Bachelor of Oral Health at Newcastle University after working as a Dental Nurse and Practice Manager for 10 years and graduated in 2008. Since qualifying, Tabitha has become one of the most sought-after Hygienists and Educators in Australia and internationally with a fast-growing and loyal customer base of patients, dental professionals and media.

She lectures and writes regularly for both industry and consumer press on motivating patients, implant maintenance and disease prevention and periodontal therapy. Winner of the 2018 Leadership Award in Dental Hygiene and the 2019 Award for Clinical Excellence, Tabitha had dedicated her professional life to continued learning and sharing her passion with the dental community.
