

# YOUNG DENTAL CONFERENCE

SYDNEY

OROFACIAL PAIN | 21 OCTOBER 2017 | 7.5 HOURS CPD | SYDNEY CBD

## A DAY ON OROFACIAL PAIN, LEARNING THINGS YOU THOUGHT YOU KNEW

WE'VE ALL BEEN THERE. WE CAN'T FIGURE OUT WHERE THE PATIENT'S PROBLEM IS COMING FROM, OR WORSE, WE'VE GONE AND EXTIRPATED THE WRONG TOOTH, ONLY TO FIND AN UNHAPPY PATIENT ON THE PHONE THE NEXT DAY.

COME SPEND A DAY WITH FOUR DIVERSE PAIN SPECIALISTS AND YOUNG DENTISTS ALL IN THE SAME BOAT, AND LEAVE CONFIDENT IN YOUR ABILITY TO CONSISTENTLY ISOLATE THE CAUSE OF OROFACIAL PAIN SYSTEMATICALLY, EFFICIENTLY, AND ACCURATELY.

YOU'LL LEARN HOW TO:

- + SYSTEMATICALLY ARRIVE AT THE CORRECT DIAGNOSIS
- + IMPROVE YOUR TREATMENT OUTCOMES
- + COMMUNICATE THIS TO YOUR PATIENTS, AND
- + INCREASE PATIENT TRUST AND LOYALTY

WITH DELICIOUS FOOD AND A SOCIAL AFTERWARD, JOIN YOUR PEERS AND EXPERTS AT YDC.
