

SURGERY SETUP ACADEMY

by Henry Schein Halas

Thinking of starting your own surgery? You don't have to do it alone!

Come to one of our nationwide Surgery Setup Events for expert advice and insight into the essentials of opening your own practice, whether it be a single chair or a multi chair fully integrated dental centre.

Agenda:

- Design, Build & Selection Process
- Equipment - Selection & Costs
- Marketing – Launching a new practice
- Software – How Software Can Guide & Advise
- The Digital Future of Your Practice
- Finance – Budget & Costs
